

Make a source to sea cocktail.

Please collect all the parts yourself
no matter the time.

This is deeptime happy hour.

1pt filtered/purified/ water from the headwaters of a river -
one that feeds to your town.

1bunch of leaves from an
native to the area where your river meets the sea
Francisco.)

edible herbal plant,
(like minty yerba buena - the plant of pre-colonized San

A dash of local honey -
Rim the glass with salt from the

Muddle with a small, washed
from mid-way down your river.

(perhaps befriend a beekeeper)?
sea where the river lets out.
pebble of granite, sourced

Take a slow drink.
